

89th Street Sidewalk Project

Holmes Road to Main Street

Project Manager: Randy Alewine, City of Kansas City, MO

PIAC Process

Public Improvements Advisory Committee

Project Requests (PIAC)

- Neighborhoods submit over 900 project requests each year
- All requests are reviewed by staff
- Staff develops cost estimates & provides them to PIAC members

Review/Approval

- PIAC members review estimates & recommend projects for funding
- City Council approves recommendations as part of City Budget

Project Execution

- Staff begins work to design/construct the requested project
- Time for execution depends on complexity of the project.

Project Description

- This project will add new sidewalk and reconstruct driveway approaches on the south side of 89th Street from Holmes Road to Main Street
- Anticipated Timeline*:
 - Spring 2020: complete design
 - Summer 2020: Utility relocation and requesting easement access
 - Late 2020/early 2021: construction begins
 - Mid- 2021: project complete (weather permitting)
- *Schedule is dependent on coordination with property owners on right-of-way access

Funding Information

Project funding is provided by sixth district PIAC funds. Thanks to sixth district council members and PIAC representatives for making this project possible.
